SIERRA MADRE, CALIFORNIA — THURSDAY, OCT. 3, 1957

16 PAGES — Vol. 51, No. 51

OLD FAITHFUL—Jules Woehler, a two-gallon blood donor, receives a welcome glass of orange juice from his mother, Mrs. Victor H. Woehler, before giving blood once again. Mrs. Woehler is canteen chairman. The Red Cross Bloodmobile will be at the Woman's Clubhouse from 3 to 7:30 p.m. Monday.

### Start Fund For Traffic Victim

A fund has been started by members of the First Baptist Church here in memory of Mrs. Valentine Ratliff, who was struck and fatally injured by a car Sept. 25.

Mrs. Ratliff, 82, of 1332 S. First Ave., Arcadia, was hit at 7:30 p.m. on Sierra Madre Blvd. in front of the Woman's Clubhouse. She was on her way to a Baptist Church meeting in the clubhouse and had a Bible in her hand when the accident happened.

Driver of the car was David R. Loose, 30, of 165 Wilson, Sierra Madre, who had stopped just a few minutes earlier to pick up his girl friend, Audrey Wilson, 304½ W. Sierra Madre Blvd. Both were on their way to prayer meeting at Bethany Church.

MR. LOOSE and Miss Wilson told Sierra Madre police that they didn't see Mrs. Ratliff until she stepped in front of the car, when it was too late to stop. It was dark at the time.

Mrs. Ratliff suffered multiple fractures of both legs and concussion. She died at 10:15 p.m. in Sierra Madre Hospital.

No charges have been filed against Mr. Loose, pending a coroner's inquest and further investigation. Police appealed to any witnesses of the accident to come forward so that the case can be quickly settled.

This was the first traffic fatality in Sierra Madre since 1954.

A native of Ottumwa, Ia., Mrs. Ratliff had lived in Sierra Madre for many years before moving to Arcadia. She was extremely active in church work.

**SURVIVORS** include three brothers, John E. Higdon and William C. Higdon, both of Buena Park, and Frank D. Higdon, of Idleyld, Calif., and several nieces and nephews.

Funeral services were held at 2 p.m. Saturday in the Woman's Clubhouse, with the Rev. LeRoy Hux, pastor of the First Baptist Church of Sierra Madre, officiating.

Interment was in Live Oak Memorial Park, Monrovia, with the Ripple Mortuary Chapel in charge of arrangements.

**JUDSON TO SPEAK**

"Life Can Be Exciting," an address by Dr. Fred Judson, will be the feature of the Sierra Madre Woman's Club luncheon Oct. 9 at the clubhouse.

**'BOOT' GRADUATE**

Robert W. Sancett, son of Joe Sancett, 109 N. Lima, graduated from recruit training Sept. 21 at the Naval Training Center, San Diego.

Anyone in good health between the ages of 18 and 59 who weighs a minimum of 110 pounds can give blood.

Appointments should be made by calling local Red Cross headquarters at ELgin 5-0745. Child care and transportation will be available.

It is imperative, the Red Cross announced, that stocks of blood be replenished as quickly as possible, since the usual summer slump in donations has left the Los Angeles Red Cross blood bank very low.

In other action, the Council heard Dr. Lowell Jackson, school superintendent, tell of the need for a \$300,000 bond issue to build an addition to Sierra Mesa School. (See story elsewhere on this page).

### Board Adjourns In Memory of C. F. Davis

The Los Angeles County Board of Supervisors adjourned its weekly meeting Monday in memory of Charles F. Davis, retired publisher of the Monrovia Daily News-Post.

Supervisor Herbert C. Legg, sponsor of the action, said that Mr. Davis was "beloved by all of the people in Monrovia" and was considered an "outstanding man in Los Angeles County and in the state."

Mr. Davis, resident of Monrovia for more than 50 years and publisher of the Daily News-Post until his retirement in 1956, died Sept. 25 following a heart attack suffered several days previously.

### Plans Made For Good Neighbors

Plans are almost completed for Sierra Madre's first Good Neighbor Party, which will be held Oct. 28 in the Woman's Clubhouse.

Guests will include the chairmen and leaders of all local service groups, members of the City Council and other city officials who devote their time without pay to further Sierra Madre.

Also present will be the mayors of Pasadena, Monrovia and Arcadia.

The speaker will be William B. McKesson, district attorney of Los Angeles County, who will talk on "Good Neighbors."

Tickets for the dinner, which will be served by members of the Sierra Madre Woman's Club, may be obtained from Jim Wolfe at Youngland's.

The committee in charge of the event includes Col. Walter D. Thurber, general chairman; Harry Lange, ushers; E. R. Mitchell, funds; Harry Elwood, printing and publicity; and Thomas M. Schwartz, master of ceremonies.

### New Director At British Home

Miss Florence King has been appointed the new superintendent of the British Home, 647 Manzanita, it was announced this week.

Miss King formerly was owner and manager of the Bayshore Lodge in Hermosa Beach where she instituted an annual Christmas party for all guests.

## Council OKs Work On City Sewer Plan

MAKING PLANS for kickoff meetings next week for the second annual national "Dollars for Democrats" drive are, from left, Mrs. Ray Johnson, member, State Democratic Committee; Mrs. Thomas Lathe, corresponding secretary, Sierra Madre Democratic Club; Mrs. Margaret Nash, chairman of the drive here, and Rosemarie Nothman, drive chairman in the 48th Assembly District. The campaign will be Oct. 11 and 12.

## Board Plans School Bond Election Oct. 22

Voters will be asked to approve a \$300,000 bond issue Oct. 22 to build an addition to Sierra Mesa School, Kenneth L. Bush, president of the Board of Education, announced yesterday.

"After long and deliberate consideration," Mr. Bush said, "it is the opinion of the Board that if we are to meet the continued growth in the district it will be necessary to construct additions to the Sierra Mesa School."

"Provision of these additional facilities will eliminate any possibility of double sessions in the Sierra Madre Schools."

MR. BUSH pointed out that the bonding capacity of the Sierra Madre Elementary School District at this time is \$432,047. This means that the bonding capacity would still be in excess of \$132,000 if the new bond issue is passed.

If the bond issue is approved, the 1957 tax rate for bond purposes would increase 6.08 cents per \$100 of assessed valuation to a total of 32 cents.

Mr. Bush said, however, that the Board of Education lowered the General Purpose Tax this year by three cents so that the net cost of the \$300,000 bond issue would be 3.08 cents.

**THIS MEANS**, in effect, that if the assessed valuation of your home is \$5,000,

### Yom Kippur, High Holy Day, Friday

Yom Kippur, the foremost religious holiday for persons of the Jewish faith, will be observed at the Pothill Jewish Community Center of Temple Beth Israel this Friday. Services start at 7 p.m.

Rabbi Charles W. Steckel will continue his sermon series on "Building a Life," by discussing "integrity" as another pillar. He will be assisted by Cantor Salo Blumenthal.

Yom Kippur is the last of the "Ten Days of Penitence"

## Entire System May Cost \$1,000,000

The City Council voted Tuesday night to take the first step toward the eventual installation of a sewage system in Sierra Madre.

The firm of James Montgomery was authorized to prepare a detailed master plan which could be followed when sewers are installed.

The plan is not to cost in excess of \$3,750, the estimate made by the firm several months ago.

A complete sewer system here, it is believed, would cost between \$800,000 and \$1,000,000, and probably would be financed by a bond issue.

**THERE ARE** at least two areas in Sierra Madre that already are badly in need of sewers. One is the industrial district on E. Montecito, and the other is in those places where multiple housing units have been constructed.

In addition, the area of new homes on the south side of E. Sierra Madre Blvd. is in need of sewers, City Administrator Lawrence C. Bevington said.

The Council also voted unanimously to cancel the rubbish contract between the city and John Avedesjian, effective Dec. 1, and to advertise for bids on a new contract.

Mr. Avedesjian's five-year contract would have expired in March. It was canceled by mutual consent following a request by Mr. Avedesjian that it be revised.

He explained that he must buy new equipment. In addition, he said, the ordinance banning incinerator burning makes his job more difficult.

Bids will be presented to the Council the first meeting in November and the new contract will be awarded by Dec. 1. It's possible, of course, that Mr. Avedesjian's new bid will be accepted.

**THE COUNCIL** also discussed the advisability of requiring residents to buy a specific type of rubbish container, but took no action on the subject.

In other matters, the Council regretfully accepted the resignation of I. B. Falconer, building and license inspector, effective Oct. 11.

Mr. Falconer said he is leaving Sierra Madre to take a similar job in Los Angeles at a "substantial increase in pay." He received \$459 a month here.

The Council decided to look into the possibility of using the county building inspection service.

## Smorgasbord Is Feature of Fall Festival

The Woman's Society of Christian Science of the Sierra Madre Methodist Church will hold its annual Fall Festival Oct. 4 from 1 until 9 p.m. on the church grounds.

A smorgasbord dinner will be one of the highlights of the festival. There will be a variety of foods to choose from, with turkey and ham featured, and a large assortment of salads and desserts. The dinner will be served from 6 to 8 o'clock at \$2 per person.

Food for the small fry will be available; hamburgers and hot dogs, the all-time favorites, will be served.

There also will be a large assortment of cakes, cookies and a variety of breads on sale.

A Christmas card booth for the early Christmas shoppers will display a selection of cards to be placed on order. Gift wrapping packs and stationery will also be available.

Doll clothes will be the specialty at one booth, including sizes to fit 8-inch to 21-inch dolls. Toni, Jenny, Terilee, Cissy, high heel dolls and baby dolls will not be forgotten.

Knitted slipper sox in a variety of colors will be of special interest to early Christmas shoppers. And, of course, a white elephant sale. If you have any items to donate please call Jane Nash, ELgin 5-8378.

A merry-go-round, pony rides and cotton candy will be provided for the entertainment of youngsters.

### Friendship Club Plans Village Fair October 7

The annual Village Fair, sponsored by the Sierra Madre Community Friendship Club, will be Monday, Oct. 7, in the City Park House.

There will be many articles for sale, all suitable for Christmas gifts, plus many bargains at the white elephant stall, and home cooked foods of all types.

Any gifts for the sale may be taken to Mrs. Stewart Matter or Mrs. Alice Sedgman.

## 'Penny' Dispute Spurs New Halloween Plan

A dispute over "penny collections" led the Coordinating Council Tuesday night to drop its sole sponsorship of the city-wide Community Halloween program which has been in the planning stage for the past three months.

A new plan, however, will be drafted with the Civic Club in charge, assisted by the Coordinating Council and other groups.

The original plan, prepared by a Council committee under the chairmanship of Mrs. Edward Verreux, called for the elimination of "trick or treating."

Instead, children would be instructed to ask for "spook money," pennies, that is, to buy recreational equipment for the City Park. It was this aspect of the plan that the representatives of several local organizations objected to.

Mrs. Ruth Barden, president of the Civic Club, agreed at the Coordinating Council meeting to appoint a Community Halloween chairman from her group. The city, she said, needs something of this sort and the plan should not be dropped entirely.

In other action, the Council heard Dr. Lowell Jackson, school superintendent, tell of the need for a \$300,000 bond issue to build an addition to Sierra Mesa School. (See story elsewhere on this page).

**Police Arrest Hendershot Aide**

John Edward Corey, station attendant at Lowell Francis Hendershot's garage on W. Sierra Madre Blvd., was arrested on a reckless driving charge early yesterday morning. Police said Corey was driving between 69 and 75 miles an hour. He was arrested at about 6 a.m. on Sierra Madre Blvd.

NEW MEMBERS of the Sierra Madre PTA Executive Board pose with school administrators (in center of group) before the beginning of the PTA meeting Monday night in the school auditorium, held to

introduce association members to two new school officials, Dr. Lowell Jackson, superintendent, and Edward E. Hawkins, principal of Sierra Madre School. Miss Betty Newton is principal of Sierra Mesa.

Her fingertip French illusion veil was held by a pill box studded with sequins and seed pearls. She carried a spray of white orchids and lilies of the valley on a white prayer book.

### Bertha Taylor Succumbs After Long Illness

Mrs. Bertha M. Taylor, 30½ W. Laurel, died last week in Veterans Hospital in Westwood after a long illness. She was 73.

Born in Cleveland, Ohio, in 1884, Mrs. Taylor moved to Sierra Madre seven years ago. During World War I, she was a registered nurse and served in France for three years with the Army Nurse Corps. She was a member of the Congregational Church here.

She is survived by her husband, Byron O. Taylor; a daughter, Hazel Ellis, of Pasadena; two sisters and three brothers in Ohio, and a brother in New York.

Funeral services were held at Forest Lawn yesterday, with Rev. George W. Lindsay officiating. Cremation followed.

### CFWC Official Entertains Local Club President

Miss Clara L. Sykes, president of the Sierra Madre Woman's Club, was one of a number of presidents and international hostess chairmen of the Verdugo District, CFWC, who were entertained at luncheon Friday, Sept. 27, at the home of Mrs. Joseph Parnham in Arcadia.

Mrs. Parnham, district chairman, introduced Mrs. Marina Lunche, state international hostess for the Junior Membership CFWC, who discussed the work done in the field of international relations by this branch of the federation.

Miss Sykes and Mrs. C. W. Symonds, second vice president, attended the presidents' conference Sept. 26th at the Wednesday Morning Club in Los Angeles.

### Adult Church Group to Begin Meeting Series

The Fortnighters, an adult discussion group at the Congregational Church, will begin a series on "How Jesus Affects Our Lives" this Friday evening at 8 o'clock.

The discussion will center particularly on the ways in which the principles of Christ's teachings can be applied to Christian living in the home. It is expected that parents of young children will find particular interest in the class.

This section of the Fortnighters will meet on the first Friday of every month in the church parlor.

### Church Votes Committee On Sanctuary

At the September meeting of the Voting Assembly, Faith Lutheran Church, 835 Hastings Ranch Drive, took another step forward with the resolution to appoint a Church Building Committee.

Since 1953 the congregation has been worshipping in its all-purpose chapel-parish hall building. Since it became a self-sustaining church at the beginning of this year, there has been an effort to erect a church sanctuary. This resolution is the first step toward its realization.

The new Church Building Committee was given the following directives:

"To stimulate interest in planning the construction of a new church; to obtain estimates of cost for plans and architect's fees and total costs of a proposed new church; to investigate ways and means of securing the necessary funds to initiate and complete a church structure, and to establish the financial goals required and the proposed building schedule."

The resolution states that the president of the congregation, Kenneth Bock, shall appoint this committee.

## For a Taste Treat, Try These Recipes From Hawaii

Continued from Page 3

and allow liquid to slowly simmer down till it is almost dry. Remove meat and add enough water in remaining liquid to allow about a tablespoon of gravy per serving. Serve meat over rice with the gravy. Mrs. Stoddart says that the basis of most Hawaiian meat dishes is soy sauce.

She suggested the following desert as being both delicious and refreshing to eat and delightful to look upon:

#### HALEOA SPECIAL

Half and scoop out one large fresh pineapple. Cut up the fruit and return to the shell with the addition of cut up bananas and papayas. Over the top put scoops of either lime or lemon sherbert and then sprinkle grated fresh coconut or canned coconut if the other is not available.

This recipe came from the Haleos Lodge which is on the other side of the island.

It's a dirty trick to print this recipe before Mrs. Stoddart has a chance to surprise her local friends with it, but she was very generous in sharing it, nevertheless.

#### PINEAPPLE HORS D'OEUVRE

Cut a fresh pineapple in half lengthwise, leaving the leaves on the end. On each side of the core cut out the fruit in one large piece. Cut each of these two pieces in half lengthwise and then crosswise into bite size pieces.

Return to the shell and fit back into place as if the fruit had not been cut. Pour three or four tablespoons of light wine such as sherry or vin rose over the fruit and then take a package each of lime and raspberry jello and sprinkle a ribbon of each flavor lengthwise on each side of the core. Allow to stand and chill for four hours before serving. Place tooth picks in each bite sized piece. The jello sets up

in a chrysalized fashion and gives a taste treat that can't be beat.

AS I SAID, the Stoddarts just returned from the islands after eight perfect days. She said food over there is incredibly cheap and plentiful and is served beautifully with a generous display of the native fruits.

Mrs. Stoddart has long been an active member of the Sierra Madre Woman's Club and has added her decorative and thimble talents to most of their sales. She designs and knits dresses and sweaters in her leisure hours, or she'll whip up a dress to her own design at the drop of a pin.

She and her husband are partners in the Sierra Madre Machine shop and it is nothing for her to get out and turn out several hundred parts before going out to play a game of bridge. In other words, she is always busy, but she always has time for just one more project.

## United Lutheran to Start Sunday School on Nov. 10

A Sunday School will be organized by the new United Lutheran Mission of Sierra Madre and Arcadia on Sunday, Nov. 10, according to Rev. Ray E. Hansen, pastor.

Rally day will be held immediately after the worship service that Sunday in the upper room of the Sierra Madre Woman's Clubhouse, 270 W. Sierra Madre Blvd.

"We are going to launch an entirely new idea as far as linking our worship service and Sunday School together," Pastor Hansen said. "We have a plan where the entire family will come to church together, worship together, receive Bible instruction and go home together without the usual chugging back and forth via automobile."

Classes for all age groups, from nursery to the sunset years, will be formed with qualified teachers in charge. All who attend Rally Day

will receive special gifts.

There will be a nursery with trained, experienced personnel in attendance for babies and small children, the pastor added.

A leaders' training course is now being offered to all who desire to teach, lead in youth work or in other church organizations, he said. It will be held the first three Sunday evenings of October and the first three Sunday evenings of November. Those interested may contact Pastor Hansen at 3700 Mayfair Drive, ELgin 5-3701.

World-wide Communion will be observed this Sunday at the 9:30 and 11:00 worship services of the Sierra Madre Methodist Church, when Dr. Chilton C. McPheeters will bring the Communion Meditation on "In Remembrance of Me."

"Methodism Around the World" is to be presented by Dr. Frank Williams, executive secretary of the Board of Missions and Church Extension, at a special meeting at 7:30 p.m., in the church sanctuary. Dr. Williams will illustrate his lecture with colored slides from his recent world tour which included an extended stay in India in connection with the centennial celebration of Methodist missions in that country.

Nursery and child care will be available at all services.

### Youth Activities To Be Resumed

Methodist Youth Fellowship activities will be resumed this Sunday at the Sierra Madre Methodist Church when young people will meet at the Parish House at 6 o'clock for refreshments and an organizational meeting. There will be two groups this year—one for junior high, and one for older youth.

Special programs are being planned under the guidance of Frank McKibben, group sponsor and all young people in the community are invited.

### LUTHERAN MISSION

### BELL

WHY ANOTHER CHURCH in this community? Perhaps you, too, might be wondering if there is "room" for another church here. "Don't we have enough churches?" you may ask. The truth is that, while Sierra Madre has more churches per population than many other California areas, we never will get too many churches!

DO YOU KNOW that if everyone in our community went to church on Sunday, our present religious buildings could not seat even half of them—even with some churches having two or more services as at present?

OUR LUTHERAN MISSION, barely two months old and not having its first worship until Reformation Sunday, Oct. 27, already has enough members and prospects to become an established and self-supporting church? And we are not building on membership of other churches! We are finding a strong, vigorous nucleus of Lutherans who have been going too far to churches in other communities, or not at all. We are getting an enthusiastic response from unchurched families and new residents.

OUR COMMUNITY is growing. We are confident we could if necessary build our congregation strictly of new, unchurched people who are moving in daily, and within months have a strong church! Every day we meet new residents looking for a church. If their religious background is that of churches already established here, we encourage them to go to the church of their choice. Only if they are Lutheran or unchurched, or of a faith which does not have a congregation here, do we invite them to our Lutheran mission.

WE WILL NOT BE the last church to be planted in this community! We predict new missions of other faiths will follow us! Each true church is an earthly pathway to eternal life in Heaven. The more paths we have here, the more people who will travel in the right way.

THOUGHT FOR TODAY—In the great work which the Lord has assigned to His church, each of us has something to do. No one is ever told by Christ that there is nothing for him or her to do. Everyone has been given certain abilities to use in serving God. He always knows what is required by us to do His will. He always bestows the gifts necessary to do the work He assigns to us. In God's Kingdom there are many tasks to be done. Each job is important. Each of us should do our own work well so that the entire task can be accomplished. Read Romans 12:1-8.

Yours Faithfully,

United Lutheran Pastor

### LESSON-SERMON

The lesson-sermon in the Christian Science churches on Sunday deals with the reality of the things of God and the inherent unreality of all that is unlike God. "Hath not God made foolish the wisdom of this world?" keynotes the Golden Text from I Corinthians (1:20) The subject is "Unreality."

The Chapel Choir for teens and twenties. Their first rehearsal will be Sunday at 4:30 p.m.

Sunday, Oct. 6, is Rally Day at Bethany Church, a time for welcoming back those who have been away for the summer and old friends who have not visited the church for some time.

## NOTICE OF SCHOOL BOND ELECTION

NOTICE IS HEREBY GIVEN to the qualified electors of the Sierra Madre City School District of Los Angeles County, California, that, in accordance with the provisions of the Education Code of the State of California, an election will be held on the 22nd day of October, 1957, at the polling places named in the hereinafter described precincts in this School District, between the hours of 7:00 A.M. and 7:00 P.M. (during which period and between which hours the polls shall remain open), at which election the question of issuing and selling bonds of said District to the amount of THREE HUNDRED THOUSAND DOLLARS (\$300,000.00) for the purpose of raising money for the purchasing of school lots; the building or purchasing of school buildings; the making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, operation, or repairs; the repairing, restoring, or rebuilding of any school building damaged, injured, or destroyed by fire or other public calamity; the supplying of school buildings with furniture or necessary apparatus of a permanent nature; the permanent improvement of the school grounds; the carrying out of the projects or purposes authorized in Section 18010 of the Education Code, shall be submitted to the qualified electors of said District and be voted upon, and that all of said purposes shall be united and voted upon as one single proposition.

The said bonds proposed to be issued and sold shall bear interest at a rate not to exceed five per cent per annum. The interest for the first year shall be payable in one installment at the end of said year and all interest thereafter shall be payable semiannually. The number of years said bonds, or any series thereof, are to run shall not exceed twenty-five (25) years from the date thereof or the date of such series thereof.

That, for the purpose of holding said election, the said Sierra Madre City School District shall be and it is hereby divided into two bond election precincts, designated bond election precinct

numbers 1 and 2, and the persons hereinafter named, being competent and qualified electors of this School District and of their respective bond election precincts, are hereby appointed officers of election, inspectors and judges respectively, as hereinafter set forth, and said officers shall conduct said election and make return thereof pursuant to law. The said bond election precincts, with their respective polling places and officers of election, shall be as follows:

### Special Election Precinct No. 1

Shall consist of all of Sierra Madre City General Election Precincts Nos. 1, 2, 4, 9, 10, 12, 14, 15, 16, 18 and 21, all of Mount Wilson General Election Precinct No. 1; all of Pasadena City General Election Precinct No. 270; and those portions of the following General Election Precincts lying within the Sierra Madre City School District: Duarte No. 19; Lamanda Nos. 16 and 25; and Mount Wilson No. 2.

Inspector: Mrs. Henrietta Hinkley. Judges: Mrs. Juanita Castice, Mrs. Ruth Twycross, pistols or shotguns in their homes. They hide them, look them up, or otherwise put them "out of the children's reach." But children have the uncanny ability of getting into things and discovering places, and few things hold more fascination for them than firearms. The natural thing for a child to do when he discovers a pistol or gun is to imitate the action he sees on TV and in the movies: he points the weapon at someone and pulls the trigger. And somebody is hurt or killed.

But the "unloaded" gun is just as dangerous. The average hunter of experience is careful to unload his gun when he leaves the field to check it again before bringing it into the house. But once in a great while this routine is upset for some reason and a dangerous, loaded weapon is the result. This may happen only once in a lifetime—but that one time can be the occasion for a serious or fatal accident.

There is no such thing as being "too careful" with guns or pistols. If you own a case, keep the weapon in the case except when you are using it in the field. Store weapons in a safe place, preferably under lock and key, or as far out of the reach of children as possible. Check and double check your gun after each hunting trip.

IN WITNESS WHEREOF, we have hereunto set our hands and seals this 19th day of August, 1957.

TANKER AFIRE . . . Smoke and flames billow from Liberian tanker "World Splendor" just before the 25,000 ton ship sank 40 miles off Gibraltar. Crewmen took to lifeboats and all were rescued by British cruiser "Delight."

Once again autumn has come in and closed the door on summer. Autumn to me is a kind of waiting period. The lull before the storm, as it were. It is also the preparing period. In the East and Middle West you would start thinking about storm windows and taking in bulbs for the winter and preparing your gardens for the long cold months to come.

In California, we have none of that survival bustle, but nevertheless we, too, prepare. We start thinking about rain gear in hopes that it may rain. Suddenly our fireplaces take on a new meaning and are no longer just stuffed with decorative greenery. Now is the time we think about laying in a supply of wood and toasting marshmallows over an ebbling fire.

And lastly, we start thinking about the many holidays that are too soon to come and the preparations they will entail. I'm just not ready to start thinking about all that yet, so I guess I'll just go and have that marshmallow!

**FRIENDS OF Mr. and Mrs. Jack Jouvenat** will be happy to learn that they have returned to the States to live and are at present residing with the senior Jouvenats at 3307 Fairpoint, until they determine where they want to live. They have spent the past five years in Basra, Iraq, where Mr. Jouvenat was with TWA. He is now affiliated with the Pacific Photo Co. of El Segundo. Their son, Jimmy, spent his first birthday here with his grandparents.

**MR. AND MRS. Phil Calhoun** of 1940 Kinneloa Mesa recently gave a therapeutic barbecue and magic show for their 3-year-old daughter, Phyllis Jane. It seems that Phyllis Jane climbed into the family auto one day with intentions of driving, and before anyone could stop her she went careening down the driveway. She fell over the car and it ran over her shoulder and continued on down to its final crashing stop. As a result of the accident, Phyllis refused to walk. The party was a complete success and she forgot her fear and scampered around with the rest of the young people. Among her friends were Jeff and Cheri Lovelace, Linda and Kathy Rasmussen, Joe Windisch, Ann Furstenberger, Dick, Gary and Allen Carmichael, Phil and Joan Heinrich and her brother, Philip Calhoun.

**MR. AND MRS. Sam Matloff** of 1590 Old House Road, returned last week from a two-week boat and motor trip. They sailed on the Orsova from San Pedro after a rousing farewell party attended by several of their neighbors. They went up the short stopover and then on

to Vancouver, B.C., where they stayed for a day and a half sightseeing. They took another boat to Victoria and then back to Seattle. From Seattle they parted company with the William Jenkins, with whom they had been traveling and continued on home with Mr. and Mrs. Kenneth Hamill, sightseeing en route.

**THE F. WAYNE Furstenbergers** of 3126 Meyer Lane had as their houseguest, Miss Bonny Sim. Her parents were in San Francisco attending her grandparents' golden wedding anniversary.

**MR. AND MRS. George Morrison** of 1878 Sierra Madre Villa had Mrs. Louis Reys from Carmel as their houseguest for a few days this week.

**SOME OF** the Mesita neighbors got together last weekend to celebrate the Harold B. Zooks' sixteenth wedding anniversary. They started out with a swim at the Paul Sieberts' and ended up at the John Griffith home for a barbecue dinner.

**I JUST** have to put in an additional note on the holes in our lawn. All you have to do is spray for cut worms and grub worms and your nocturnal animals turn tail and go to your neighbors' lawns for their nightly feast.

### Hastings Teen Times

By Pat Smith  
Elgin 5-1903

As I said last week, Wilson is off to a great start this year. There was a great turnout for G.A.A. 9th and 10th "Y" Teens. This year, as every year, there was a big turnout for football. The Pom Pom girls are getting ready for the coming football games, which, of course, Wilson will win. They are busy making pom poms, dresses and spending many hours pounding out routines on the gym floor after school.

Andy Manning, Patty MacIsaac, Linda Jordan, Carol Cox, Shirley Casebeer, Linda Dittberner, Linda Smallman, Pat Cress, Helen Goldby, Marilyn MacLeod, Dianne Nields, Susie Adams, Shirley Vincent, Linda Ellis, Harriett Beegle and Marilyn Mohn make up the peppy group that is out to help Wilson home the White Football when that time comes.

**THE L.A. County Fair** has been a main attraction the past few weeks. Lots of kids have gone after school, on the weekends or were excused from school to attend, which, I might add, went over big with the teachers. The brave ones said in their notes to be excused that they

### Voters League Members Slate Meeting Oct. 10

Sierra Madre and Hastings Ranch members of the League of Women Voters of Pasadena will attend the East Unit meeting Oct. 10 at 10 a.m. at the home of Mrs. Conrad Walburger, 510 Pembroke Dr., Pasadena.

This will be the final meeting on the subject of federal Loyalty-Security programs in relation to individual liberty. The need for revision of these programs will be considered as suggested by the Loyd Wright Commission and several bar associations.

It is hoped that a consensus of opinion can be reached for transference to the national headquarters of the League so that action can be taken in this field whenever need arises.

Anyone interested may attend this meeting. For further information call unit chairman, Mrs. Carl Shafer, Elgin 5-3758.

"Gosh Gardenia! You've certainly got a nose for dollar-saving Sales!"

### Field Paper Drive Helps Youth Groups

Character education groups from Eugene Field will receive proceeds from the school's PTA-sponsored newspaper and rag drive set for Oct. 19 at the school from 8 a.m. to noon.

Money from the sale will be divided equally between all children enrolled in youth groups at the school, the funds to go to the individual groups for expenses.

Participating groups will be Boy Scouts, Girl Scouts, Cub Scouts, Brownies, Blue Birds, Camp Fire Girls, Indian Y Guides and Frontiersmen, also a YMCA group.

Papers should be tied in bundles and delivered to the school during the hours of the drive. Rags, which need not be clean, may be brought in bags or boxes.

Mrs. Donald Lingren is chairman of the event, and has lined up fathers from the various groups to help at the drive. Residents of the area who do not have children in the school but who wish to donate papers or rags, either may take them to the school during the drive or call Mrs. Lingren at her home, Sycamore 6-9927. She will arrange to have them picked up.

### Membership Drive for Don Benito

Don Benito PTA will hold its annual membership drive during the week Oct. 7-11. Mrs. Stanley LaSalle, membership chairman, has announced a science exhibit display, at the main entrance of the school, will be presented to Don Benito from the PTA and will be "given" to each class during the year in order of their percentage membership.

This year's general theme for PTA is "The Strength of PTA: Vision—Courage—Action."

Membership in PTA is a participation in a community welfare organization whose efforts endeavor to secure for every child, the highest advantages in physical, mental, social and spiritual education.

Members will receive the informative Don Benito PTA Year Book which features the school calendar, PTA programs, officers, chairmen and local youth group leaders. Both parents are encouraged to join. The membership fee is 50 cents per person.

### BARBERSHOP QUARTET

A varied program of barbershop quartet singing choruses, orchestra selections and community singing will be presented at the 12th annual Barbershop Quartet Parade Oct. 4 and 5 at the San Gabriel Mission Playhouse.

The exhibits at the fair were interesting and some, such as the flowers, were absolutely beautiful. The booth that was the most popular with the teenage attendees was the KPOP booth. There they could get free records; see their favorite recording artists; made dedications to their friends, relatives and loves.

We can't say anything about the fair without mentioning the fun zone. Some of those rides left you wondering if you would ever be able to walk a straight line again.

**ANOTHER ANNUAL** affair was the carnival at the Youth Center. It drew a crowd last Saturday night. There were games, food, dancing and a lot of just bumbling around, which is more fun than anything.

**LAST THURSDAY** the government planning class threw a welcome party for the new students of Wilson. They served punch and cookies. Mr. McNeish and Mr. Elder answered all questions and introduced everyone to everyone.

PATTI MOORE & Ben Lassey, internationally famous song and dance team, play the beautiful new Hesperian Inn, October 4 through October 10. Their rapid, raucous patter and song satires, with a bit of fancy footwork to augment the act are surefire laughter.

### Diana Pursley Celebrates 9th Birthday

Diana Pursley, daughter of Mr. and Mrs. William M. Pursley, 1125 Daveric, entertained a group of her friends at a luncheon party held at Fisher's Restaurant in celebration of her ninth birthday.

Those young ladies in attendance were Linda Stine, Cindy Zemer, Robin Oles, Anita Krotz, Laura Shillam, Linda Taylor, Marilyn Rowley, Theresa Edgeman, Nancy Messenger and Constance Pursley.

### SOCIETY DINNER

Volunteers of the American Cancer Society's Pasadena-Foothill and West San Gabriel Valley areas will convene at 10 a.m. on Wednesday, Oct. 16, at the Huntington-Sheraton Hotel for a combined annual meeting, program planning session and luncheon.

DON COTTEN stands between his parents, Mr. and Mrs. Tola M. Cotten, 3220 Barhite, just after he received the coveted Eagle Scout award at Boy Scout Court of Honor ceremonies. Don, a junior at PHS, went through scouting ranks with Troop 377, Eugene Field School.

### Bridge Tournament Begins

Some 50 couples are anxiously awaiting the opening of the annual bridge tournament sponsored by the Hastings Ranch Nursery School. Although play is set to begin in a few days, newcomers interesting in taking part may still make a reservation.

The tournament is arranged in several divisions of 10 couples each. Each couple plays the other couples within the division, and winners play off in the spring to select the champion couple.

Games are scheduled at the convenience of the couples involved, with three weeks allowed for each game to be played. Four weeks are allowed during the Christmas period.

Winners of each division are awarded prizes, and the champions receive a championship award.

Mrs. Harris Robison, who headed the tournament last year, again has taken on the task. A call to Mrs. Robison at Elgin 5-2717 will bring further information on the tournament.

### Camp Fire Picnic Set Saturday

More than 240 families have been invited to participate in the Sierra-Hastings Camp Fire District picnic set for Saturday afternoon and early evening at Hamilton Park, atop the Jones Reservoir in Hastings Ranch.

Chairmen of the event are Art Fox and Bob Fisher, who have arranged for games and prizes for the various age groups who will be present.

The big event will get underway at 3 p.m. and last until 7:30. Families will bring their own picnic supplies.

The picnic is a get-together scheduled by the district committee as a pleasant way to get the new school year off to a flying start. A number of new Camp Fire groups are being formed in the district, according to the committee.

### Demos Plan Party Tonight

Members of the Hastings Ranch Democratic Club will meet at 7:30 o'clock tonight for a Calypso Casserole dinner at the home of Mr. and Mrs. Bob Milling, 3550 Cartwright.

The affair, first after the summer lull in activities, is scheduled as a social event primarily, according to Michael Notham, club president.

### Fall Cotillions Begin For Foothill Children

Fall cotillions have begun for a half-dozen groups of boys and girls from fourth through eighth grades in the Foothill area who receive instruction from Miss G. Virginia Gollatz at the Sierra Madre Woman's Club. Four groups met yesterday and two sixth grade classes are set for next Tuesday.

Fourth and fifth graders of two Wednesday Matinee groups met yesterday. Serving as patronesses were Mrs. David Thomas, chairman for Matinee No. 1, assisted by Mrs. William Lester and Mrs. William G. DeGroat, and Mrs. James Nichols, chairman of Matinee No. 2, assisted by Mrs. DeWitt M. Manning and Mrs. Grace Dawson. The first group is composed primarily of Highland Oaks children, and the second from Sierra Madre, Field and Don Benito Schools and other sections of Arcadia.

Mr. and Mrs. Kenneth L. Rempel, assisted by Mr. and Mrs. John C. Soerensen and

### Association Elects New Exec. Board

The executive board of the Property Owners' Association of Hastings Ranch met in home of its president, C. Don Hays, 1260 Coronet, for the election of new officers.

Numerous items of importance to residents of the upper Hastings Ranch were discussed and decided upon.

An effort will be made to urge those residents who have allowed their property to become "run-down" to correct the situation in keeping with the other improvements being made in the Ranch area.

A letter to the owners of the shopping center will be sent in an effort to enhance the beauty of that area by a more complete and attractive landscaping plan.

Part of the meeting was devoted to the discussion of the new rubbish pick-up which went into effect Oct. 1 and plans were formulated for action which might be necessary in this respect.

### 'Feelthy' Lucre Lousing Up Local Sports Scene

By Charles Ayres

Money is the root of all evil!

That is not an original observation by any means because I've never been able to latch on to enough wampum to be wicked. But it has become obvious even to the most idealistic thinker of late, that the filthy lucre is lousing up the local sports scene.

What other reason can you give for the walling and gnashing of teeth on the part of certain interests in the attempt to prevent major league baseball from coming to Los Angeles?

When a city is offered over \$300,000 in taxes a year, an initial half-million-dollar recreation expenditure, and untold amounts to be spent in the future on youth programs, all for a piece of real estate in a ravine most people never heard of, what else can you figure?

THERE was a lot of static about revenue from mineral rights which was squelched when the baseball interests agreed to return any such revenue for the benefit of the taxpayers. Since, under the present proposal, the taxpayer public can do nothing but gain, some of L.A.'s politicians are exposed as only representing the interests of some who stand to lose some of the dollars spent for first grade entertainment.

Over 150,000 people clogged the hypertensior tubes, sometimes referred to as freeways, to attend three of the year's top football attractions over the weekend. That sounds like a lot of people until you realize that normally the two college

games would have attracted that many alone.

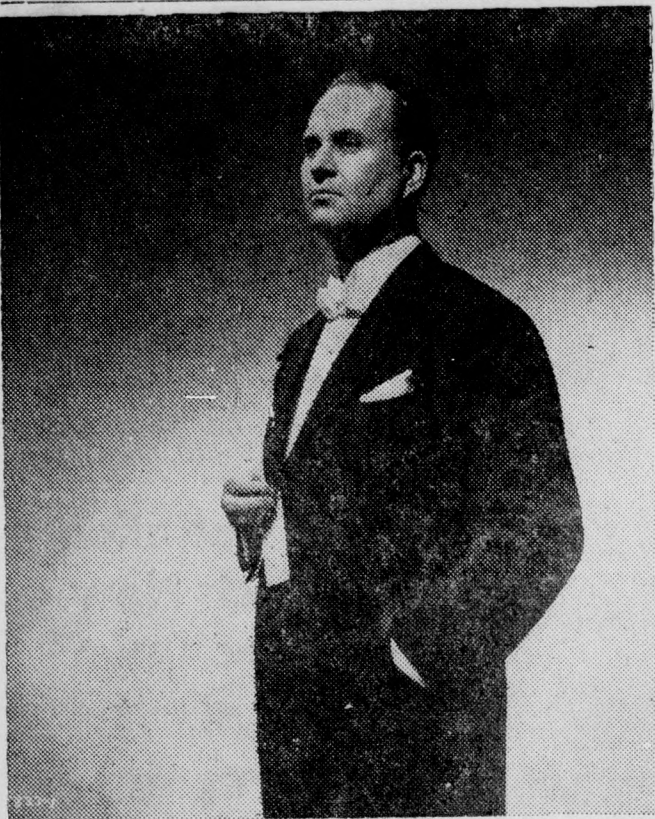

When 48,000 show up for a game between UCLA and Illinois and 44,000 for a game between USC and Michigan in a stadium that holds over 100,000 and could be jammed by the student bodies and alumni, something smells (besides the atmosphere) in L.A.

YOU DON'T have to look far for the answer, and were even helped by the reports of the state legislative committee that met last week to investigate the penalties imposed on the California schools by the Pacific Coast Conference with the presumed purpose of determining the legality of the financial punishment imposed on the tax-financed schools.

In addition to the purse snatching, the league deprived the local entries from playing their first teams, which normally are made up of seniors.

Forever to their credit, the juniors and sophomores were not as weak hearted as their erstwhile supporters and after the exhibition they gave of courage and determination, it can be expected that (1) there will be increased box office activity in the future, and (2) the league hierarchy will meet in secret conclave to propose a ban on juniors and sophomores.

LORENZO ALVARY, famous bass-baritone of the Metropolitan Opera Co., will sing two roles—those of Benoit and Alcindoro—when the San Francisco Opera Co. presents its only Southern California performance this season of "La Boheme" at the Pasadena Civic Auditorium Sunday night, Nov. 3. Dorothy Kirsten, Metropolitan Opera soprano, and Gianni Raimondi, La Scala lyric tenor, will sing the starring roles. Tickets are now on sale at the Pasadena Civic Auditorium.

### Garden Notes . . .

## Annuals Bring Springtime Beauty in Mid-Winter

"If Winter comes, can Spring be far behind?" This line from Shelley's "Ode to the West Wind" strikes a note of hope in the description of a cheerless winter. But a California winter definitely need not be a cheerless winter.

For in California we have springtime beauty in mid-winter with the help of some lovely annuals which bloom all winter long when transplanted in succession in autumn. The California Association of Nurserymen cautions, however, that the transplanting season for these wonderfully useful bedding plants is rapidly ebbing.

Soon it will be too cold for fledglings. Right now winter blooming annuals in flats are available in many colors at local nurseries for use in all mild winter areas in the state.

SOME OF the most popular of these bedding plants are pansies, calendulas, snapdragons, stock and violas. One great feature all these flowers have in common is that after planting they require very little care, just watering and removal of fading flowers.

The brightest spot in the winter garden belongs almost unchallenged to the Pot Marigold (calendula) with its clear bright yellows, rich golds, gay persimmons and pale apricots. This sun-loving flower is one of the most useful of annuals because it can be used in massed effects, as an edging plant or in pots or window boxes. The bright pot marigold also makes an ideal cut flower for indoor decoration because it has long single stems and has a long life after being cut.

One of the favorite flowers for indoor decoration for many years has been graceful stock. Fragrant, tall, colorful—all these attractions make stock the ideal choice for cut flowers. One species, *mathiola incana*, is the usual choice for the garden if cut flowers are your aim. The lovely grey-green foliage is topped by spire-shaped fragrant flowers of white, rose, pink, purple, carmine and red. The other stock species, *mathiola bicolor*, has small lavender flowers which emit a delightful fragrance at night.

**SNAPDRAGON** (*antirrhinum majus*) is a short-lived perennial usually handled like an annual because its flowers in the second year do not live up to the gaiety of the first year. The tiny flowers cluster in long spike-shapes in many colors, pink, rose, salmon, yellow, copper, maroon, crimson and pure white. The "tetra" hybrids are the most popular today and they may be obtained in mixed or separate colors.

Violas and pansies, which belong to the same family, make perfect edging plants and are just ideal for pots or window boxes. These two low-growing beauties come in a wide range of colors. There are varieties of each in yellow, blue, apricot, white and ruby. In addition, violas cover the complete scale of blues, from pale lavender to deep violet. Recent introductions of pansies have had flowers measuring 4 and 5 inches in diameter.

All these lovely plants should be transplanted into good soil with some steer manure added. They should be watered at planting time and kept moist until definitely settled in their new locations. After they are established, violas and pansies will continue to take a more than moderate amount of water. The others need very little.

Annuals all bloom longer if the flowers are removed as soon as they begin to fade. This is done naturally when the flowers are cut for use indoors, and for the other plants it can be done easily when watering.

## Bus Company Observes 4th Anniversary

Metropolitan Coach Lines of Los Angeles celebrated its fourth anniversary of service in Southern California on Oct. 1.

Arriving on the transit scene on Oct. 1, 1953, the company took over the far-flung operations of the Pacific Electric Railway Co. and launched immediately a \$15,000,000 long-range improvement program in Los Angeles, Orange, Riverside and San Bernardino Counties.

Calling attention to his company's program during the past three years, President Jesse L. Haugh said:

"We view with pride our progress to date in providing improved service and riding facilities, although our ultimate goal has not been reached. Further improvements are needed and we are working toward that goal—that of providing the best in service with continued emphasis on passenger comfort and convenience."

During the past three years, Metro has spent \$8,400,000 for capital improvements, Mr. Haugh declared. Of this amount, \$6,700,000 was allocated for the purchase of 288 new deluxe "air suspension" motor coaches.

POSY FOR GRACE... Picturesquely bearded Harry Wheatcroft sniffs new rose he perfected at London's National Rose Society show. It's called "Grace de Monaco."

Further, \$1,700,000 has gone into new garage and maintenance facilities at Van Nuys, El Monte and West Hollywood and additions to general shop facilities at Macy Street, he added.

BEGIN EVERY DAY  
WITH GOOD BREAKFAST

Everyone should begin every day with a good breakfast. Eating that morning meal takes only a little extra time. And it pays off in extra pep for the day's activities.

Eating breakfast is largely a matter of habit. And once you start to eat it regularly, you'll be hungry when you waken.

Your morning will be brighter after you enjoy a good breakfast. You'll work or study better and getting up just a little earlier will be well worth the effort.

More variety in breakfast menus is one sure way to perk up morning appetites. Here are a few easy-to-make recipes that may do the trick.

### QUICK FRIZZLED BEEF

1 2½-oz. jar dried beef  
2 Tbsp. butter  
1 tsp. parsley flakes  
1 can cream of celery soup  
½ C. milk  
Paprika

Cut beef into coarse pieces. If meat tastes extra salty, put it in a strainer and pour hot water over. Drain and dry on paper towel. Melt butter in skillet. Add beef and stir with a fork until slightly brown. Add parsley flakes, soup and milk. Stir to blend and heat to bubbling. Serve over hot buttered toast and sprinkle generously with paprika.

### FLUFFY SCRAMBLED EGGS

4 Tbsp. butter or margarine  
6 eggs  
½ tsp. salt  
½ tsp. pepper  
6 Tbsp. milk

Melt butter in a heavy skillet over medium flame. Combine eggs, seasonings and milk. Beat with a rotary beater until well blended. Pour into heated skillet. Turn flame low and cook, without stirring, until eggs are set around edge. Now continue to cook and stir with wooden spoon, being sure to scrape bottom of pan. Cook about 4 min.

### LACY RICE CAKES

2 eggs, separated  
1 C. milk  
½ tsp. salt  
½ C. sifted flour  
½ C. cooked rice  
2 tsp. melted butter  
Vegetable shortening

Separate eggs. Beat whites to stiff peaks. Beat yolks until thick and light in color. Add milk, salt and flour to yolks and beat until smooth. Stir in rice and melted butter. Fold in egg whites. Heat shortening in a heavy skillet. Drop batter by tablespoons into hot shortening. Fry slowly until underside is nicely browned. Turn and brown second side. Serve piping hot with honey or maple syrup.

### GOLDENROD EGGS

1 can cream of chicken soup  
½ C. milk  
4 or 5 hard-cooked eggs  
Buttered toast  
Paprika

Combine soup and milk in a saucepan. Put yolks of two hard-cooked eggs through a coarse sieve and save to use as garnish. Coarsely chop remaining hard-cooked eggs and add to soup mixture. Heat thoroughly. Serve over hot buttered toast. Top with sieved yolks and a sprinkling of paprika.
